LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial conference in this matter is scheduled for September 4, 2024;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the September 4, 2024, initial pretrial conference is **CANCELED**. If the parties believe that a conference would nevertheless be useful, they should inform the Court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

ORDERED that the parties shall file a status letter when discussions with the private mediator have concluded or on November 18, 2024, whichever is earlier. It is further

ORDERED that if either party seeks to file a motion for summary judgment at the conclusion of discovery, they shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.6.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
